

# Book an Author Visit with Bonnie Kelso

## A STEAM-Y SEA SERIES!

**A three-book series of underwater adventures featuring major childhood milestones from author/illustrator, Bonnie Kelso.** Hygiene isn't just for humans as you soon discover with the help of sweet and silly sea creatures. Each STEAM-inspired book explores science, nature, and human health/development in a humorous way that will keep kids entertained and engaged as they learn.

Las Vegas author and illustrator, Bonnie Kelso, shares her three-book series of picture books with young students, inspiring them to care for their bodies while discovering fascinating facts about sea creatures.

Bonnie is available for half-day visits (\$400) which includes one or two presentations, or full-day visits (\$600) which includes up to four presentations. Each presentation runs 30 minutes long.
